

## Fireworks

A A7 D AMaj7 E  
Come into our home and sit yourself right down  
D AMaj7 D  
We are travelling round the world, yeah yeah yeah yeah  
AMaj7  
You head for the West of Ireland  
A  
I'll head for Rome

A, D, AMaj7, D, (E?)

A  
My girl still loves me  
D AMaj7  
We drink from pint glasses and have our laughs  
D (E?)  
On the bed and in the bath, yeah  
A D AMaj7  
Well I don't mind and thinking 'bout it every single day  
D (E?)  
Things are fine and she ain't on my back

A D  
Don't you tell me that I'm over reacting  
AMaj7  
I know you hate that  
D (E?) A...  
Just get on the bus and light your own fireworks

A  
My girl she needed me  
D AMaj7  
She'd tell me all the time and every day  
D (E?)  
Things are fine and she was here to stay  
A D  
But now I'm flat on my back and look at the stars  
AMaj7  
Oh why why why why  
D (E?)  
I think too much and I drink too much

A D  
I never wanted to work for nobody  
AMaj7  
No-one to tell me  
D (E?) A...  
To get on the bus and light your own fireworks

A D AMaj7 D (E?)  
Sweet is the energy, sweet is the song  
  
A D  
I'm feelin' homesick, and wish you were proud now  
AMaj7  
I'm singin' for ya  
D  
You kindle the flame that never burns low  
(E?) A...

Get on the bus and light your own fireworks
