

Still In The Air

King Arthur took a lot of mighty blows on his back and
Had his throat exposed to the wild
But he still makes them all look like liars

Say now if you want to break the break the bond
Say now if you haven't got the guts to carry on
Did you ever understand me?

You and I connected for the rest of our lives
You and I connected for the rest of our lives

I'm sorry if I lead you on
I'm sorry if I broke your heart
And I know it's not fair, but I really truly don't care

And I'm a man who is taken for the rest of his life
I'm a man who is taken for the rest of his life

There is sadness hanging 'round our home
There is love for you
And it's still in the air
Yeah it's still in the air
Well it's still in the air
Yeah it's still in the air
Well it's still in the air
Well it's still in the air
Yeah it's still in the air
Yeah it's still in the air

Well it's still in the air
Yeah it's still in the air
Well it's still in the air, no denyin' that
It's still in the air
Yeah it's still in the air
Yeah it's still in the air
